### 2.10.2 Evaluation and clarifications of Part-A bids

- a. At first the submitted EEC documents will be evaluated against the specified Essential Eligibility Criteria (Refer Part-A (I)) for the essential eligibility criteria details).
- b. The bids that are meeting all the Essential Eligibility Criteria stipulated in the Part-A (I) of the tender shall only be shortlisted as “**Eligible Bids**”.
- c. The shortlisted “**Eligible bids**” shall only be considered for further detailed techno-commercial evaluation.
- d. If it becomes necessary to seek clarifications from the bidders regarding EEC, technical and commercial terms and conditions of the tender, the same will be sought through on-line portal from the bidders. In such an event, the bidder will furnish all the EEC, technical and commercial information/clarification through on-line portal, on or before the date and time fixed for submission of such clarifications. If the EEC, technical and commercial clarifications sought for, do not submit on-line on or before the due date and time fixed, such bids are liable to be rejected without any further notice. Purchaser shall not bear the responsibility of delay in receipt of required clarification(s).
- e. Further to clarify and confirm the compliance of the stated requirements, specific meetings with the bidders may be called by ITER-India. The venue, date and mode of the meeting (In person/ on-line) shall be intimated to the bidder. Discussions will be held on the various aspects of the offer, including the deviations, if any, vis-à-vis tender requirements.
- f. In the event of differences in commercial terms and conditions quoted by various bidders, ITER-India may resort to commercial discussions to bring all the bidders to common level of commercial terms and conditions.
- g. ITER-India and their authorized representatives may visit the Contractor/Sub-contractors, if

**Title: Procurement of Radiometer (140-170 GHz) and its essential accessories**

Tender Notice No.

I-I/ET-TPT/24004/24-25

	required, as a part of technical evaluation process. Assessment made by ITER-India during the visit to the bidder shall be considered as a part of bid evaluation.
h.	Where counter terms and conditions have been offered by the bidder, the same shall not be deemed to have been accepted by ITER- India, unless specific written acceptance thereof is obtained by ITER-India.
i.	All technical and commercial aspects pertaining to Part-A (Technical and Commercial bid without price) of the tender will be finalized prior to opening of Part-B (Price bid) and no change in this regard shall be accepted after opening of Part-B (Price bid).
j.	Bids that are found to be compliant with the Essential Eligibility Criteria, the scope of work, supply, Technical Specifications and Commercial Terms & Conditions specified in Part-A of the tender documents, shall be shortlisted as Technically Qualified Bids.
k.	Price bids (Part-B of bid) of only Technically Qualified Bids will be opened online by the Purchaser.

### 2.10.3 Evaluation of Part-B bids

a.	The opened price bids (along with its break-up) will be evaluated as per the tender
b.	The evaluation criteria and the basis for the price comparison are specified in the tender document.
c.	Conditional discount, if any offered by the bidder shall not be considered and may lead to the rejection of the bid.
d.	The evaluation committee may hold discussions with the bidder, if required.
e.	Price bid filled as per the price by the bidder shall only contain all the required rates, amount and particulars bid format (Part-B).

### 2.11 Acceptance/ Rejection of Bids

a.	Upon acceptance of successful bid, ITER-India may award a Contract to the successful Bidder within the validity/extended validity of the bid.
b.	Non-compliance to EEC or tender specifications and/or tender scope and/or tender terms and conditions are liable for rejection. Decision of ITER-India in respect of non-compliance shall be final and binding on the bidders.
c.	Canvassing in any form with regard to this tender will lead to rejection of the bid.

### 2.12 Construction of Contract

a.	It is the intent of ITER-India to incorporate the Scope of supply and work, Technical Specifications, Terms & Conditions of the Contract and price bid in the final Contract between ITER-India and the successful bidder. This final Contract shall include deviations, if any, as mutually agreed between ITER-India and the successful bidder. However, any variation in the scope of supply and / or scope of work to meet the intent of this specification and to be in line with good engineering practice and manufacturing feasibility during execution of Contract shall not be subject to price variation.
----	--

### 2.13 Cancellation of Tender

a.	During the tendering process, there may be some unforeseen situations compelling the Purchaser to cancel the Tender without finalization. In such a case, the Purchaser will send a notice/intimation for cancellation of the Tender by email/upload on website. Purchaser will not be responsible for any consequences due to such cancellation.
