

Call for Nomination No. IO/22/10023123/JPK for Design and Fabrication of Tokamak Complex Detritiation System Central Processing Plant

Date: May 4, 2022

ITER-India, Institute for Plasma Research, being Indian Domestic Agency (IN-DA) of ITER-Organization, France has been asked to request Indian companies, institutions and other interested entities to submit their proposal for providing support for Contract for “**Design and Fabrication of Tokamak Complex Detritiation System Central Processing Plant**” against above mentioned Call for Nomination (CFN).

Please see attached all the relevant documents as follows:

- Technical Summary with tentative time table for tender
- Nominations template (excel template)

The potential parties/companies should have a recognized level of expertise, skills and demonstrated experience in the fields mentioned above, as well as the financial capability.

Interested parties/companies are requested to go through the Call for Nominations Documents and submit electronically the Nomination template (excel file) duly filled in with all the required details to the following e-mail address purchase@iterindia.in not later than **13.00 hours IST on 23rd May, 2022**.

Kindly let us know if you are registered at Iter Organization and on the ARIBA network, and if not, you are invited to register your company using the following link (free of charge) for self registration:

<https://s1-eu.ariba.com/Sourcing/Main/aw?awh=r&awssk=.UTncz.M&realm=iter&dard=1>

The ITER Organization will then invite you to register into the ITER tendering system (Iproc) and create your Ariba Network account when required. In case of any difficulty, please contact Mr. Rohit Sharma from Consus on email ID: rks@consus.com.sg for help.

Note: ITER-India (IPR) i.e. IN-DA will review the details provided by the interested companies and if found suitable as per the requirement, same will be nominated by IN-DA to IO. **IO reserves the right to consider or not to consider the nomination(s) by IN-DA.**
