2 INTRODUCTION

ITER will be the world's largest experimental facility to demonstrate the scientific and technological feasibility of fusion power. ITER is an international collaborative project involving seven Parties (China, European Union, India, Japan, Korea, Russia and U.S.A.). ITER is being built at Cadarache, South of France. More information can be obtained from www.iter.org or www.iterindia.in websites. India is one of seven participating members and is responsible for the supply of some of the major systems and equipment for ITER. This ‘in-kind’ contribution being executed through the Indian domestic agency called ITER-India, Institute for Plasma Research. One of the systems, which India has to deliver for ITER, is DNB and HNB3 Vacuum Vessel.

ITER-India has placed a Contract with a Contractor located at Bangalore for Manufacturing and Supply of DNB and HNB3 Vacuum Vessel.

ITER-India would like to appoint Third Party Inspection Agency (TPIA) to carry out inspection and verification of different manufacturing processes to ensure the quality of the final product as per technical specifications of above referred Contract documents and approved MIPs (Manufacturing & Inspection Plan). The purpose of this document is to define the scope of work (as per Part-A(ii)) and other terms and conditions for TPIA to carry out the Third-Party Inspection during manufacturing of DNB and HNB3 Vacuum Vessel.

ITER-India shall provide all manufacturing drawings and Technical Specification of DNB and HNB3 Vacuum Vessel to TPIA. ITER-India shall also provide approved Quality Plan, MIPs (Manufacturing & Inspection Plan) and approved manufacturing and quality procedures.

5 Corrupt or Fraudulent Practices

- i) The terms “corrupt practice” and “fraudulent practice” are set forth as follows:
 - a) “corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official during the tendering process
 - b) “fraudulent practice” means a misrepresentation of facts in order to influence a tendering process to the detriment of the Purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid Prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition.
- ii) The Purchaser will reject a proposal for award of Contract, if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract in question.

- iii) The Purchaser will declare a Bidder ineligible, either indefinitely or for a stated period of time, for awarding a Contract/Contracts, if at any time, the Purchaser determines that the Bidder has engaged in corrupt or fraudulent practices in competing for the Contract.

6 Amendments to Tender Document:

The Purchaser reserves the right to issue any amendments, clarifications, etc. to the specifications and documents giving reasonable time, prior to the bid submission. Such amendments, clarifications etc., shall be given due considerations by the Bidders while submitting the bids and invariably enclose such documents as a part of the bid. All such amendments, clarifications, etc., shall be posted in GeM Portal as well as in ITER-India website: <https://www.iterindia.in/tenders> under Public/Global Tenders category and also notified through e-mail to those bidders who have already registered for the pre-bid meeting. The bidders are requested to visit ITER-India website periodically. No corrigendum will be published in the newspapers. ITER-India shall bear no responsibility or liability arising out of non-receipt of the same in time or otherwise.

7 Acceptance/ Rejection of Bids

The Purchaser reserves the right to accept or reject, lowest/any/all bid(s) whatsoever and without any liability to the Purchaser.
